

Case 17: Argument_Organizer

Use this sheet to organize your thinking about how Frost fits with your earlier understanding of color inheritance in drakes.

- There's room for up to three separate claims.
- Afterwards, if you have multiple claims, you can think about how to combine them into a single argument on the last page.

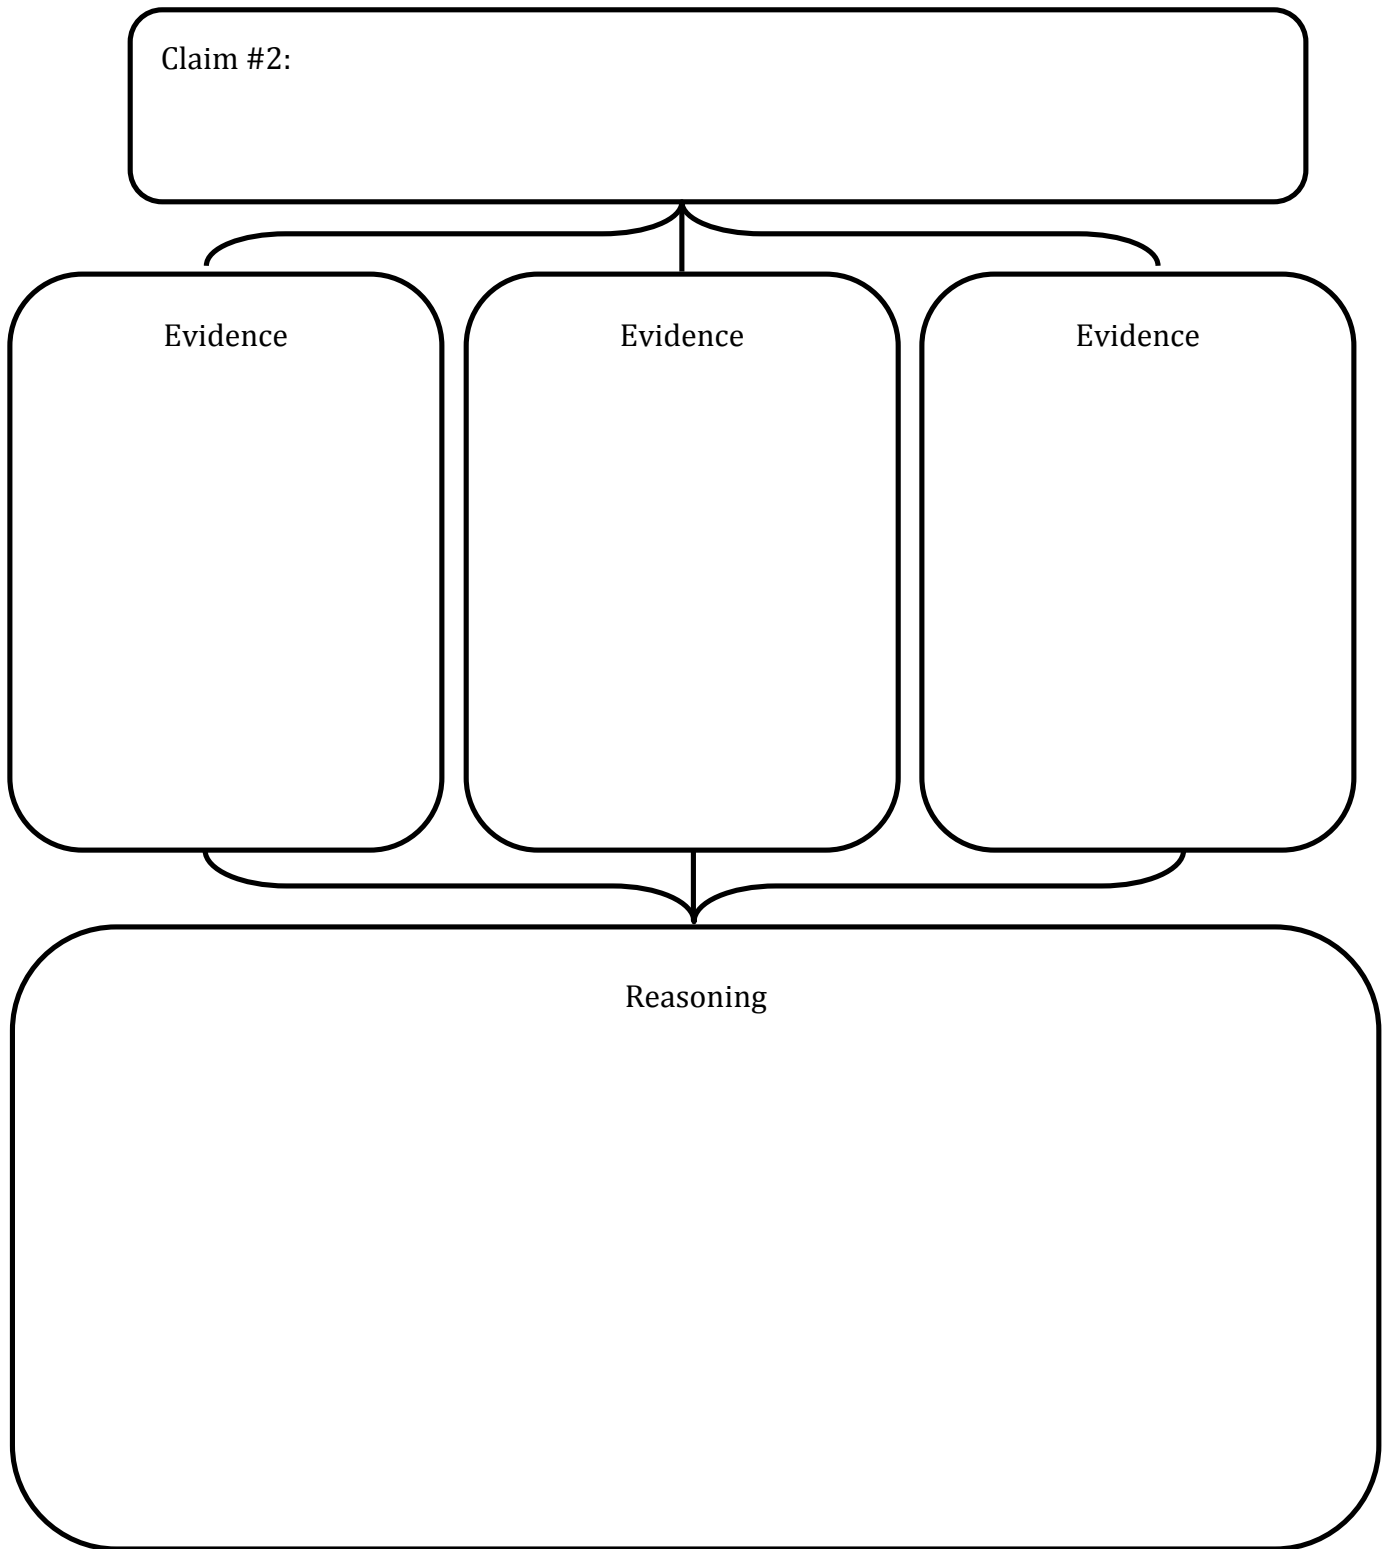

Claim #1

Evidence Evidence Evidence

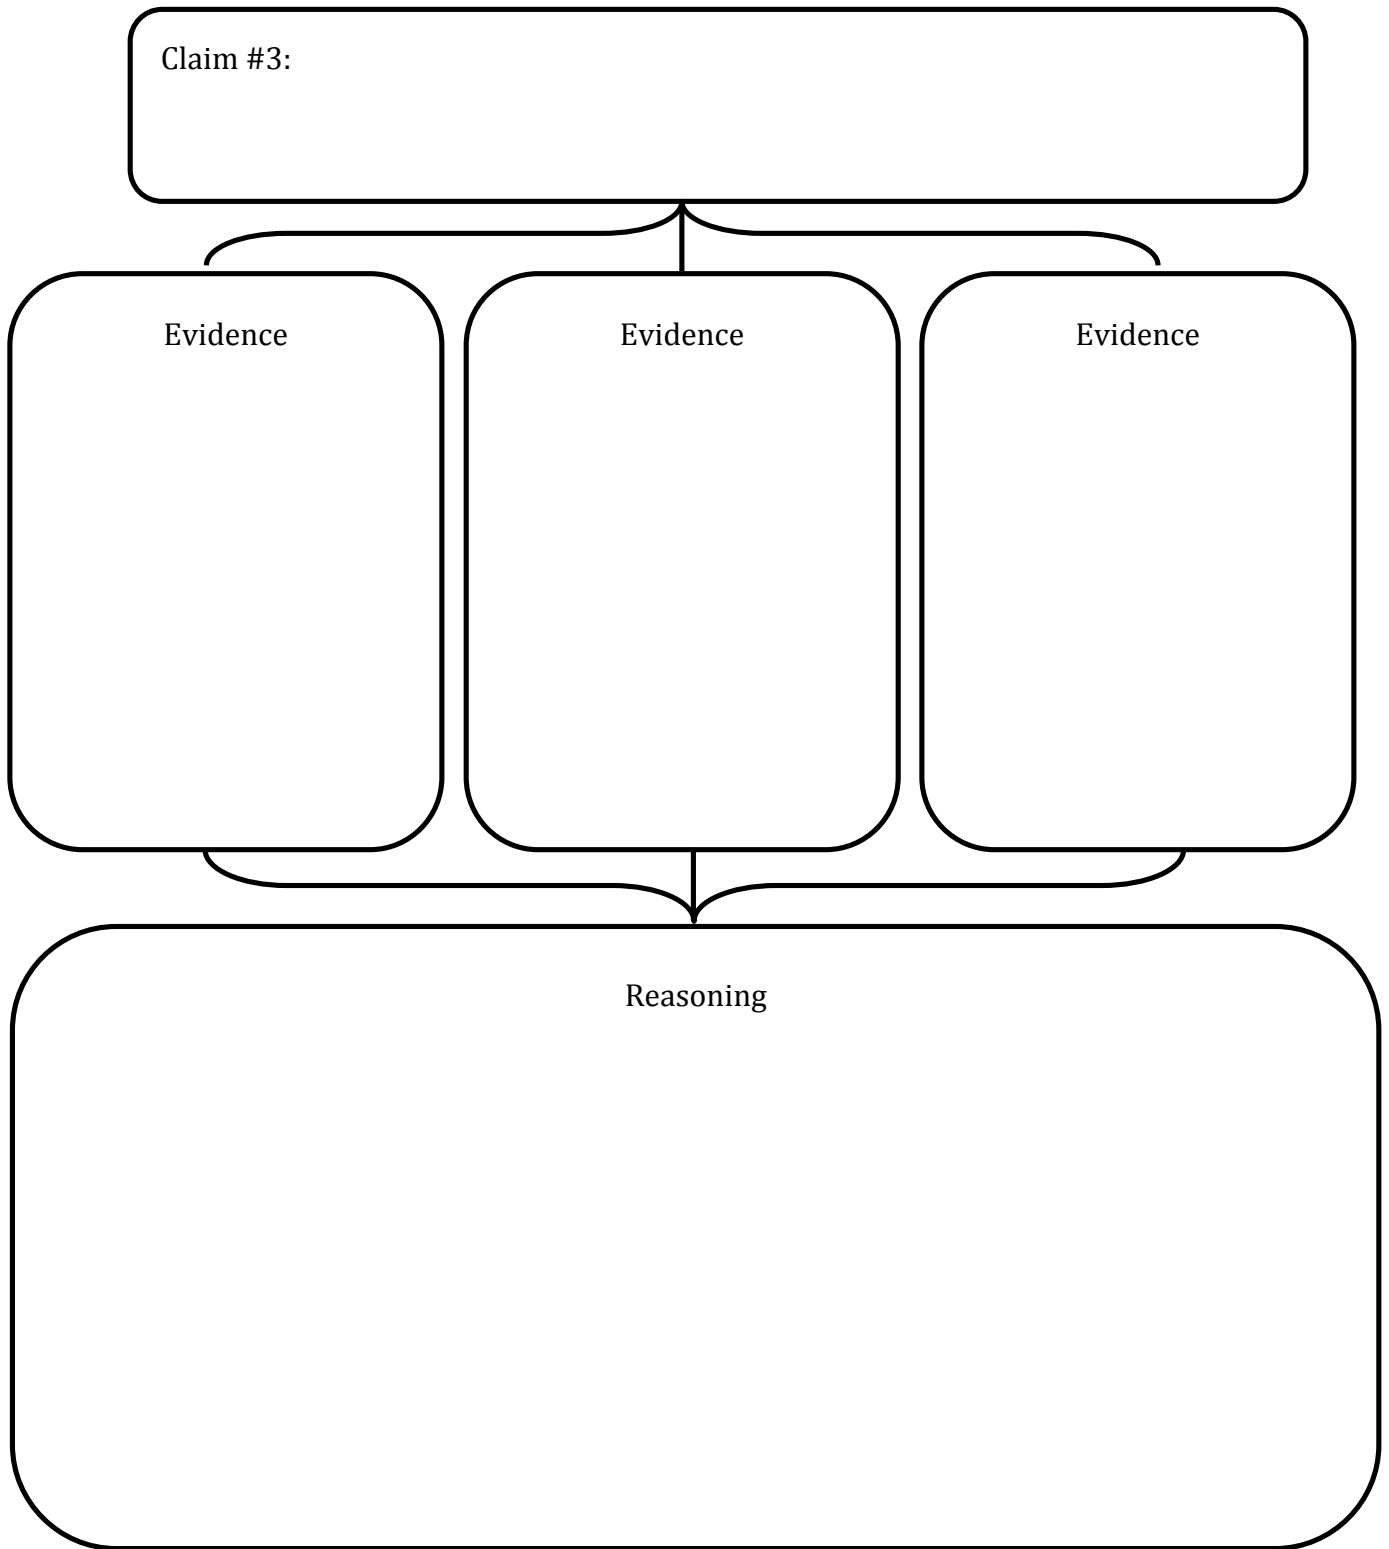

Reasoning

```
graph TD; C1[Claim #1] --- E1[Evidence]; C1 --- E2[Evidence]; C1 --- E3[Evidence]; E1 --- R[Reasoning]; E2 --- R; E3 --- R;
```
